*****You may start to breakdown Sunday after the evening balloon launch. No vendor vehicles will be permitted in the selling area prior to that time. The committee reserves the right to remove violators from the mailing list.**

- If you were not a vendor with us in 2019, you must submit a clear descriptive photo of your stand/display and a complete list of products.
- Since our event is held on the airport field our insurance company considers the event to be an air show. Because of this the insurance company requires that **every vendor on the field be covered by liability insurance**. Therefore, you are required to provide proof of liability insurance in the amount of at least \$300,000 listing **Dansville Festival of Balloons and the Town of North Dansville** as "additional insured". Send this with your payment or as soon thereafter as possible. Contact your insurance agent for this information.
- We strongly suggest that vendors provide adequate staking and weights for tents to avoid wind damage to your merchandise and that of others.
- Vendors are responsible for collecting and reporting sales tax. Your tax ID certificate must be displayed prominently in your booth.
- A limited number of arts/crafts sites have electricity available. These will be assigned on a first come first serve basis, per the fee schedule on the contract.
- Food items must be packaged and intended for off-site consumption.
- Vendors will be open beginning Friday Sept 4, 2020 at 4:00 p.m. and will remain until the close of the festival on Sunday Sept 6, 2020 unless otherwise approved by NYSFOB.
